Q10

To what extent are the NSW environment, industries and communities currently impacted by invasive species?

Heavily impacted

Q11

To what extent do you think existing programs in NSW are effectively managing invasive species?

Not managing - failing

Q12

What, if any, are the key barriers to effective management of invasive species?

Public opinion & fearful politicians

Q13

How has invasive species management changed since the introduction of the NSW Biosecurity Act 2015 legislation and associated programs and plans?

Not much

Q14

What are the future risks posed by invasive species to the NSW environment, industries and communities?

The Illawarra Escarpment rainforest will cease to exist

Q15

What opportunities do you see to improve the outcomes of invasive species management in the future?

None - no political will to implement management policies

Q16

Any other comments?

Our local environment is stuffed because there is zero money in it for anyone to do the right thing.
