Q1

First name

[REDACTED]

Q2

Last name

[REDACTED]

Q3

Email

[REDACTED]

Q4

No

Can we contact you about your submission (if needed)?

Q5

No

Can we add your email to our mailing list for occasional updates on this topic?

Q6

None of the above (I have a general interest in the topic).

What best describes you?

Q7

Central Tablelands

What best describes your main regional interest?

Q8

Your submission may be published. If you do not want your personal details or responses published, please tell us here.

**I agree to have my submission published anonymously
– please remove my name before publishing.**

Q9

What do you consider is the most significant action(s) we can undertake to protect and restore biodiversity and ecosystem function on private lands?

Dedicated personnel on councils to undertake tree planting, renewal of native grass and ensure a healthy eco system in waterways of all types.

Q10

How can we further improve soil, water and vegetation management to protect and restore biodiversity while delivering sustainable economic outcomes?

Appointment of staff who have expertise in all areas of eco systems sustainability.

Q11

What do you consider is the most effective way to further support and enable landholders to deliver sustainable land management and production outcomes?

A clear Action Plan as a template for users, with professional assistance readily available.

Q12

Is there any other information about this topic you would like to share with us?

Only do it before irreparable damage to many areas eco system has occurred.
