Q1

First name

Candice

Q2

Last name

Bartlett

Q3

Email

Q4

Yes

Can we contact you about your submission (if needed)?

Q5

Yes

Can we add your email to our mailing list for occasional updates on this topic?

Q6

I am representing an NGO or community group.

What best describes you?

Q7

Statewide NSW

What best describes your main regional interest?

Q8

Your submission may be published. If you do not want your personal details or responses published, please tell us here.

I agree to have my submission published with my name.

Q9

What do you consider is the most significant action(s) we can undertake to protect and restore biodiversity and ecosystem function on private lands?

Respondent skipped this question

Q10

How can we further improve soil, water and vegetation management to protect and restore biodiversity while delivering sustainable economic outcomes?

Respondent skipped this question

Q11

What do you consider is the most effective way to further support and enable landholders to deliver sustainable land management and production outcomes?

Respondent skipped this question

Q12

Is there any other information about this topic you would like to share with us?

I urge the NSW Government to make these changes this year. NSW does not have much nature left. But protecting what is left - is good for biodiversity, for human health and the climate.
