

Jason Selmes

**RESUBMISSION: Please accept my re-submission and please cull my previous submission.**

1. I oppose the re classification of Deer as a pest species
2. I oppose any baiting control methods such as 1080 poison of Deer on public land.
3. I support the removal of a DPI game licence(G) for hunters hunting deer on Private land.
4. I support the use of hunting methods such as grain feeders and electronic callers to open up opportunities for hunters on public and private land.
5. I support the use of spotlights to hunt deer on private property at night.
