Cypress Forests Assessments Natural Resources Commission
GPO Box 4206
SYDNEY 2001

TO WHOM IT MAY CONCERN

The Area Builders Supply Co has been purchasing cypress timber from Grants Sawmilling for over 20 years.

Any decrease or interruption to the supply of this resource would severely hamper my companies ability to service the building industry in this area.

Grants Sawmilling is vital to the ongoing survival of the townships of Narrandera and Condobolin through employment and financial investment

Regards John Gale
Managing Director
