Cypress Forests Assessment

Natural resources Commission

GPO Box 4206, Sydney NSW 2001

To whom it may concern,

I am writing in regards to the Government of NSW reviewing of the use and tenure of the southwest cypress region. Grants Sawmill Co Pty Ltd operates Australian Cypress Sawmills in Condobolin and Narrandera. They currently have a 20 year wood supply agreement with the state government of NSW, in which they supply timber to Condobolin and all surrounding areas in and around NSW.

Grants Sawmill CO Pty Limited is currently operating in our local town of Condobolin. They are a highly valued customer to our business and are a huge asset to our town. They provide employment to our local people, in which they currently have a staff of 12.

Grants Sawmill support our local sporting clubs with major sponsorships and donate to various events within Condobolin and the surrounding district. This would have a detrimental effect on our local businesses and region if we were to loose such a prominent and valuable business. Grants Sawmill would have to be one of the most highly respected industries in our town. They are a trustworthy and hard working team, the employers and employees are one of Condobolin's many valuable assets.

Yours sincerely,
