Subject: Closure of Sawmills

Dear Sir/Madam,

As a long term resident of Condobolin, I was saddened to hear of the possible closure of our local Sawmill.

Grants Sawmill, has been around as long as I have, and it has always been a family business to my knowledge.

I know the family well, and have only ever known them to be hard working, loyal and committed. Not only are all employees at Grants loyal to their employer, they are loyal to OUR town, and their clients.

They choose to stay here and keep our business local.

With the closure of Grants Sawmill, approximately 50 people will lose their jobs. This means our town loses, their families lose, and the businesses that rely heavily on the sawmill lose.

THERE WILL BE NO WINNERS!

I urge you to seriously consider the impact that such a closure will have on these hard workers, their families and our town, and push to keep our mill operational.

Yours sincerely

Tammy Bugg
