The table below outlines the recommendations from the NRC, the proposed NSW Government response, and the key strategies which are in place, will be implemented, or are being implemented, in line with each recommendation.

Description of recommendation	NSW Government Response	Response Actions
Recommendations to the NSW Government		
G1 Adopt the recommendations within this report, and oversee implementation by LLS.	Supported	<ul style="list-style-type: none"> ○ As below.
G2 Request LLS to provide reports, including a timetable and progress in implementing the recommendations three months from adoption of the recommendations and on a six monthly basis thereafter.	Supported	<ul style="list-style-type: none"> ○ Provide a report to the Minister regarding progress in implementing audit recommendations three months from adoption and every six months thereafter.
G3 Improve the governance structure by taking the following actions: <ul style="list-style-type: none"> a. Add two independent members with appropriate corporate governance and public sector expertise to the Board of Chairs as a matter of urgency. b. Evaluate, in collaboration with the incoming Chair of Chairs, the potential for reducing the number of regional representatives on the Board of Chairs, while maintaining independent members, in preparation for the next review of the Local Land Services Act 2013. 	Supported	<ul style="list-style-type: none"> ○ Restructure the central Board (Board) to include fewer members, provide independent members with voting rights and include only some local board chairs * ○ Undertake board skill review/gap analysis (complete) and recruit appropriate skills mix to new central Board.
Over-arching recommendations to Local Land Services		
A1. Clarify and simplify roles and responsibilities: As a matter of priority, LLS should define clear roles and responsibilities, particularly for boards, management, and support units. These roles and responsibilities should be consistently reflected in LLS policies and procedures and fully adopted by all members of LLS.	Supported	<ul style="list-style-type: none"> ○ Include functions for the central Board in the LLS Act, to clarify the demarcation of responsibilities between the central Board and local boards. Additional central Board functions relate to: <ul style="list-style-type: none"> ▪ Elaborating the state-wide vision, priorities and strategic direction for LLS, reflecting consideration of priorities as advised by the Minister, the recommendations of local boards, and its own assessment of threats and opportunities. ▪ Supporting the development of and approving plans and key performance indicators with local boards so that their activities will help attain both State and local priorities; ▪ Holding local boards to account to drive compliance with legislative requirements, plans, key strategies, policies and agreements;

		<ul style="list-style-type: none"> ▪ Oversighting centrally provided frameworks and systems for activities it believes are most efficiently and effectively provided once for the whole organisation; ▪ Promoting a 'one LLS' staff and board culture; and ▪ Providing advice to the Minister. * ○ Retain the functions of local boards as set out in the LLS Act. ○ Remove the term "operational" from Object 3(c) to clarify the local boards' roles in setting regional strategic direction and priorities, guiding region-wide management and planning in consultation with regional LLS staff, and working with regional management to establish business plans, work plans and budgets. While local boards have a role in higher-level regional management and planning, such as setting regional priorities, day-to-day operational management and planning is the immediate responsibility of regional LLS staff and management. * ○ Restructure the Executive Support Unit (ESU) and Senior Executive Team to align roles with the new Board structure and ensure all staff and management clearly understand their roles and responsibilities.
<p>A2 Prioritise and resolve critical issues: The Chair of the Board of Chairs should take responsibility for ensuring that the Board of Chairs urgently identifies and resolves critical state-wide issues. A governance and business plan should be developed to ensure this occurs in a timely manner. The Board of Chairs should also clarify what policy and process issues require a state-wide approach, and allow all other issues to be devolved to local boards.</p>	Supported	<ul style="list-style-type: none"> ○ The Executive Chair (previously Chair of the Board of Chairs) to lead development and implementation of a clear process for identifying and resolving critical state-wide issues, in collaboration with the Board and local boards. ○ Develop a Business Plan to guide the development and implementation of LLS policies, programs and businesses processes, and to assist in identifying and resolving critical state-wide issues. ○ Develop a governance framework to clearly define the governance structures, processes and roles and responsibilities within LLS (under development).
<p>A3 Improve accountability: The Board of Chairs should take responsibility for fundamentally improving accountability across the organisation. Given the current level of maturity, formal processes for driving accountability are necessary. These should include implementing a simple system for</p>	Supported	<ul style="list-style-type: none"> ○ Develop and implement a robust system to monitor regional implementation of mandated state-wide policies. ○ Implement an improved organisational-wide performance reporting program.
